

# SOUL EATER 28

*Post...*

**Bad hair day or a worse  
wardrobe change?**

There must be  
a way to  
accomplish it

To focus on  
what I must  
do without  
losing myself  
to madness...

Yes I'll  
find a  
way to  
not only  
free Maka

but to  
strike  
them  
all down

Chapter 28  
END

Must be the thin atmosphere, that's why I don't feel anything wrong because of my reaper biology

Gotta brag too?!

Anyways,  
let's go

Hehe, yeah, why worry, what could possibly go wrong?!?

Where is your  
hyper-active  
energy now?

Being silly  
only works  
up to 50  
floors...

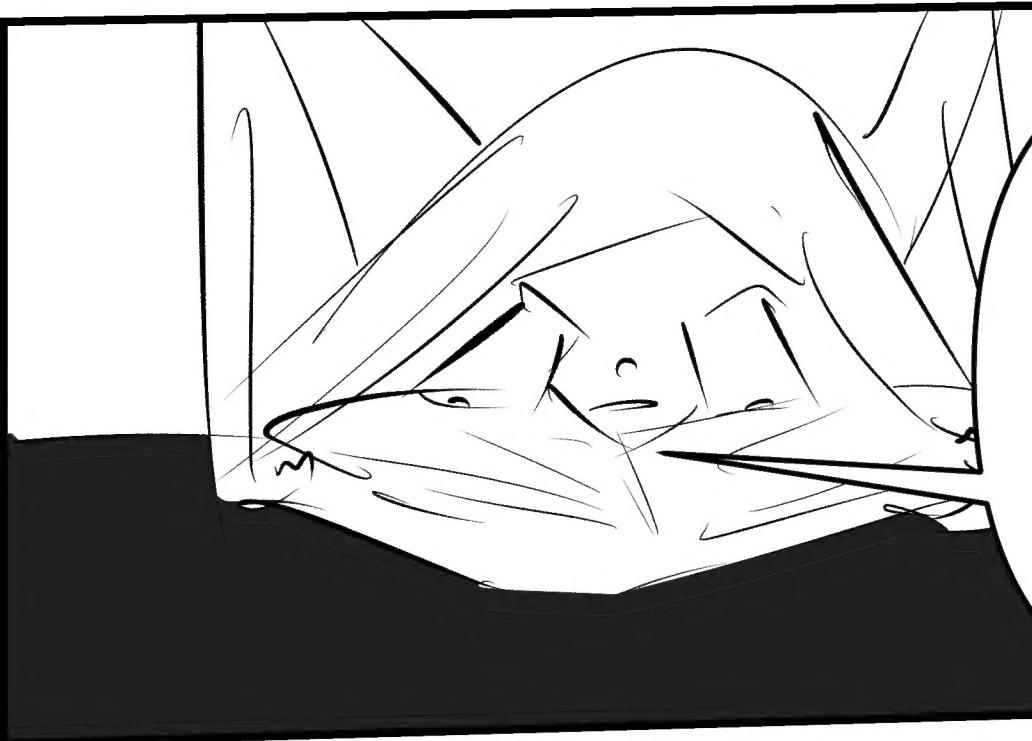

What a  
peculiar  
fact, but  
nomater,  
we arrived

Behind this  
door I can  
sense the  
aura of a  
powerful  
witch, but  
at this point  
we are more  
than ready

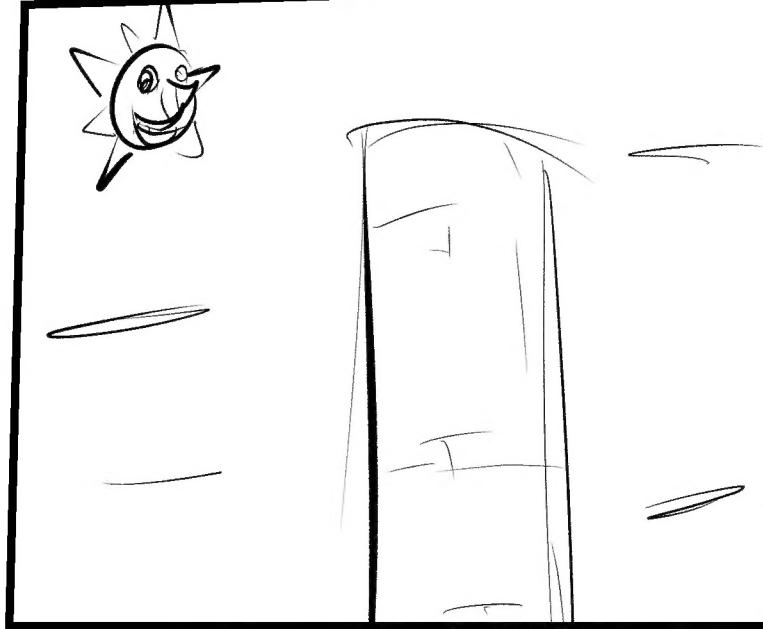

But why do I still  
feel like something  
bad is gonna happen?

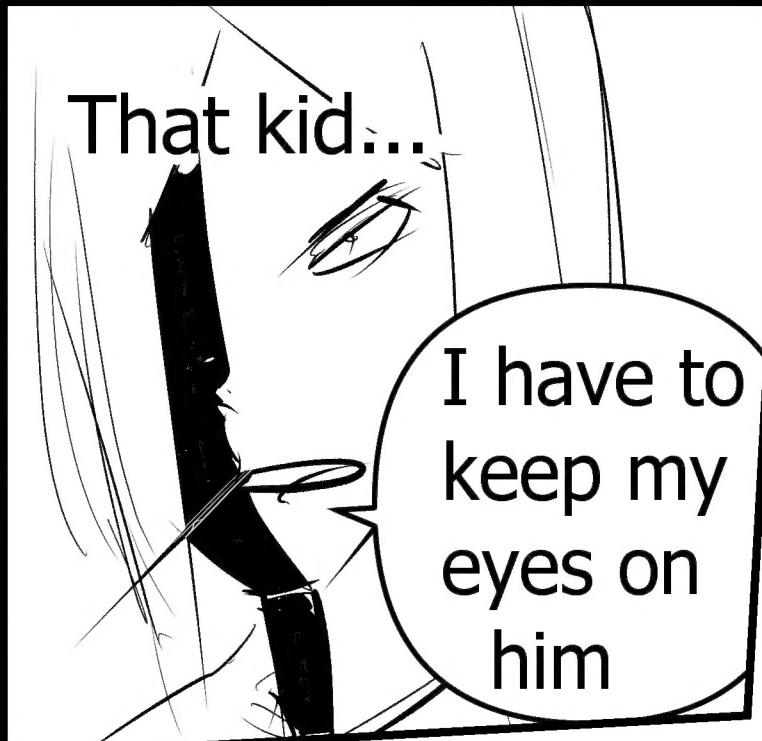

No, that must just  
be the laziness  
talking!

I'll just need  
to stop getting  
distracted  
and read  
the remaining  
3000 pages...

That kid...

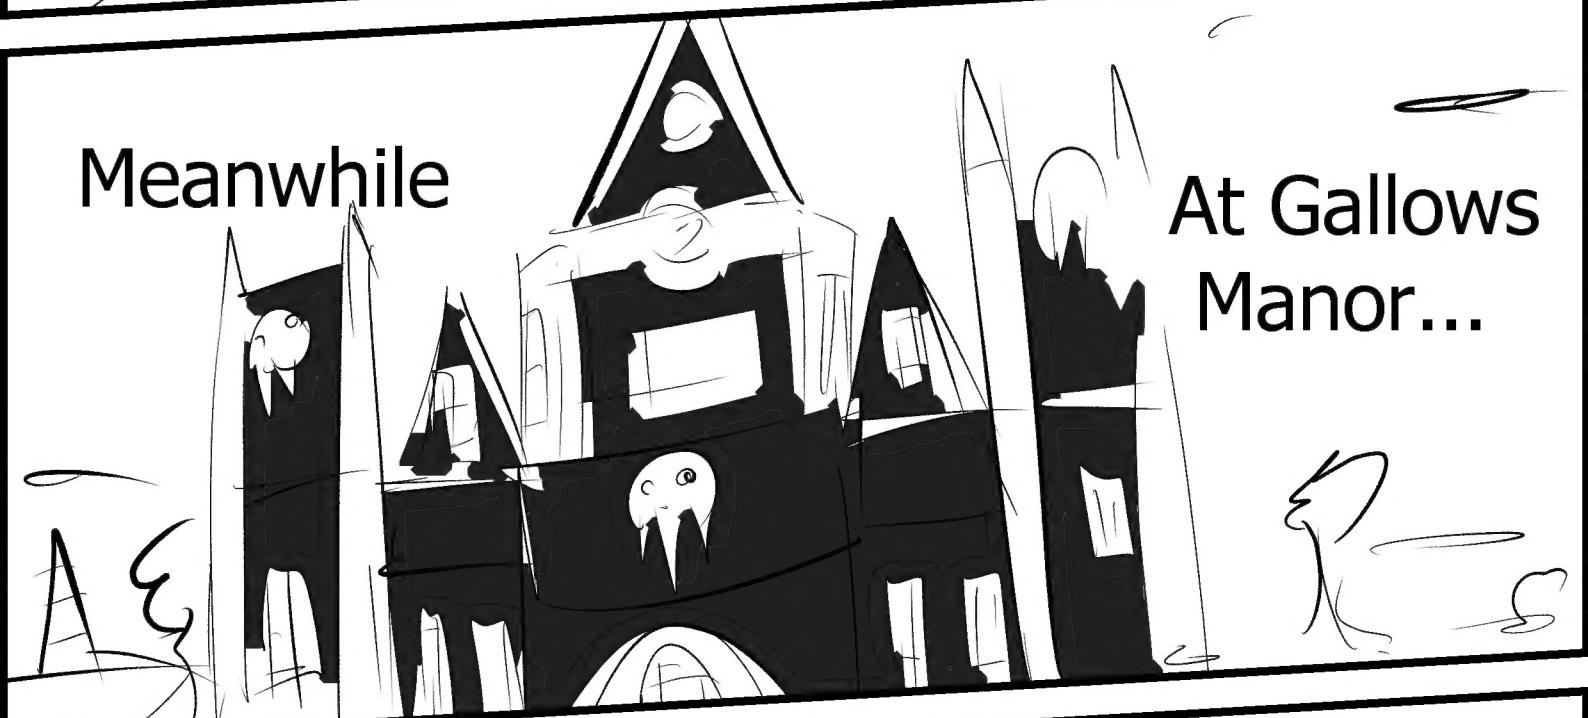

I have to  
keep my  
eyes on  
him

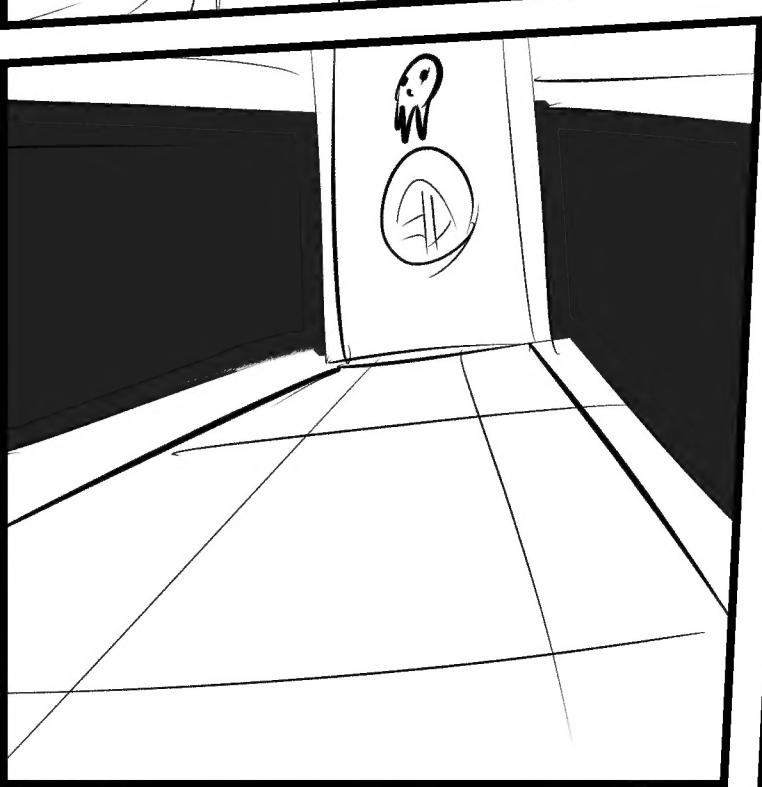

Now where  
is Angela?...

Meanwhile

At Gallows  
Manor...

Hmm, why do I  
feel like something  
bad happened?...

Now it's time  
to save you  
Maka

(sigh)  
Atleast I could bring  
back one person...

Let's go  
home, I  
need to  
think for  
a bit...

But I'm hungry,  
I feel like I haven't  
eaten for a day!

Hmm, I guess  
I do need some  
mass for muscles  
...

hmm...

Guess that's good because I wouldn't recognise you with this haircut, and I thought your style couldn't get worse, when did you cut ruin it anyways?

I-eh-well-

Now with you getting bald, what do I pull and grab?

You could try not doing that...

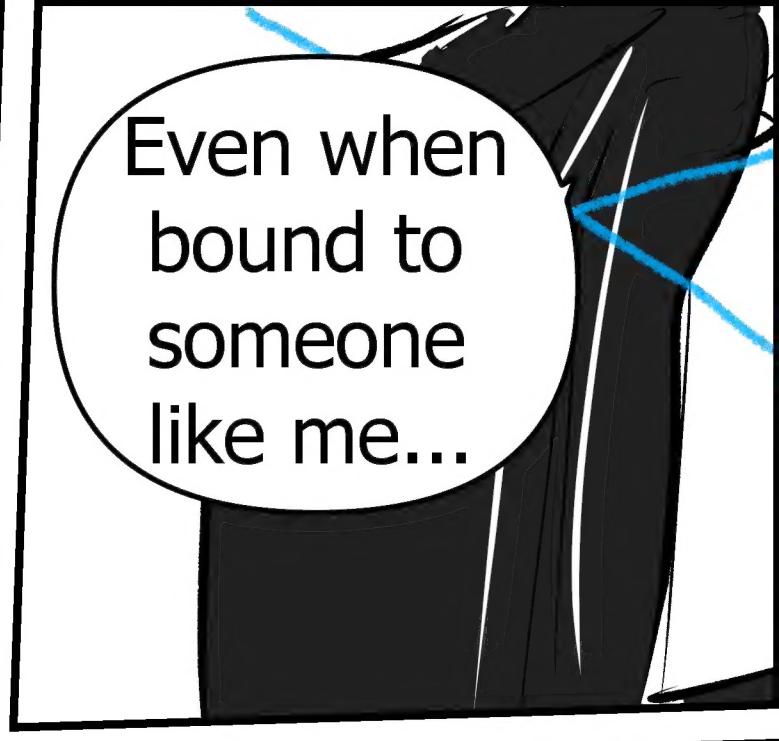

Wait, you left one strand just for me!

You really do care!

I-I was glad  
to finally see  
you make friends

to be  
genuinely  
happy

Even when  
bound to  
someone  
like me...

I wish I could  
be usefull this  
time atleast

If I'm already  
to broken to  
be fixed

then atleast  
my brother  
should be-

Guipi! What the  
hell are you  
talking about!

Ragnarok,  
you are  
back?!?

I'm allways  
in your back,  
you scoliosis  
victim!

It really  
is you!

And I know it's  
you because  
you are the  
only one stupid  
enough to hug  
a sword hehe!

# Isn't it working?

I'm  
sorry  
Ragnarok

hohoho  
This hate, it's  
not my right  
to put it on you,  
to make you my  
instrument of  
retribution

I already painted you red enough

how much did I spill for them?

Did I screw up

yet again?-

No they are at fault, they cursed Ragnarok to be like that, not me!

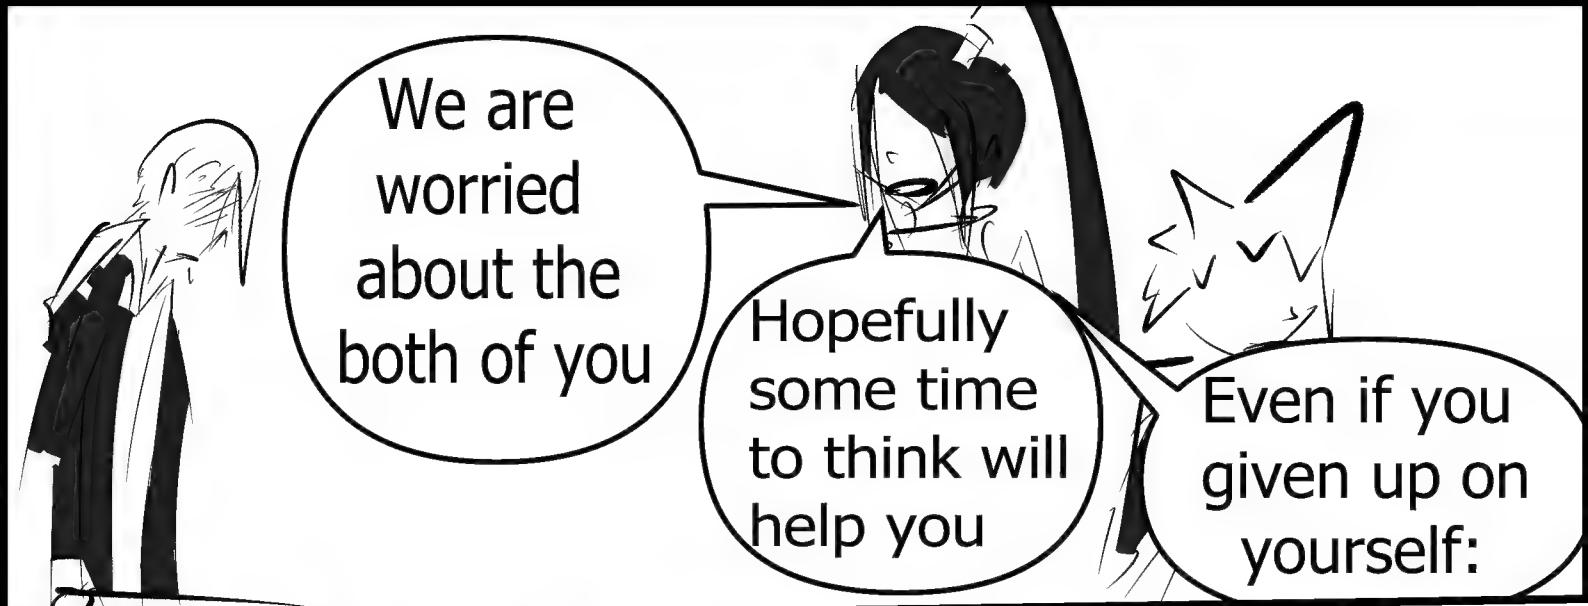

But I have the power to clean his soul!

mmh...

Wh-why-

haha!

Grip!

We are worried about the both of you

Hopefully some time to think will help you

Even if you given up on yourself:

Do it for Ragnarok,  
atleast don't drag  
him down with you

Ah that noise!

aah!

Worse than that  
CD Maka once  
played!

And I thought  
I was used  
to loudness

x pant

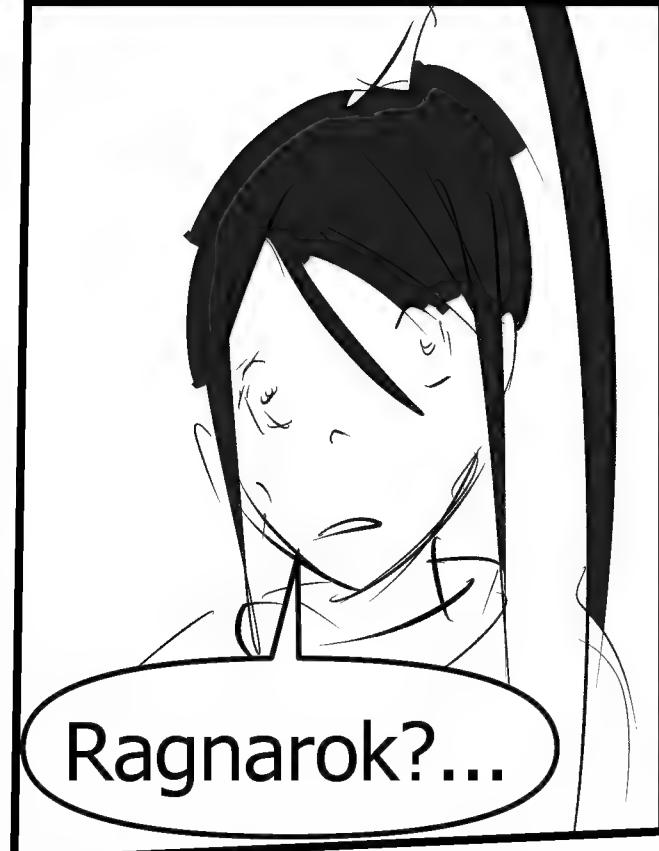

\* pant

L-let's try again  
once he calmed  
down, maybe  
then he will listen

If my punch  
couldn't fix  
the problem...

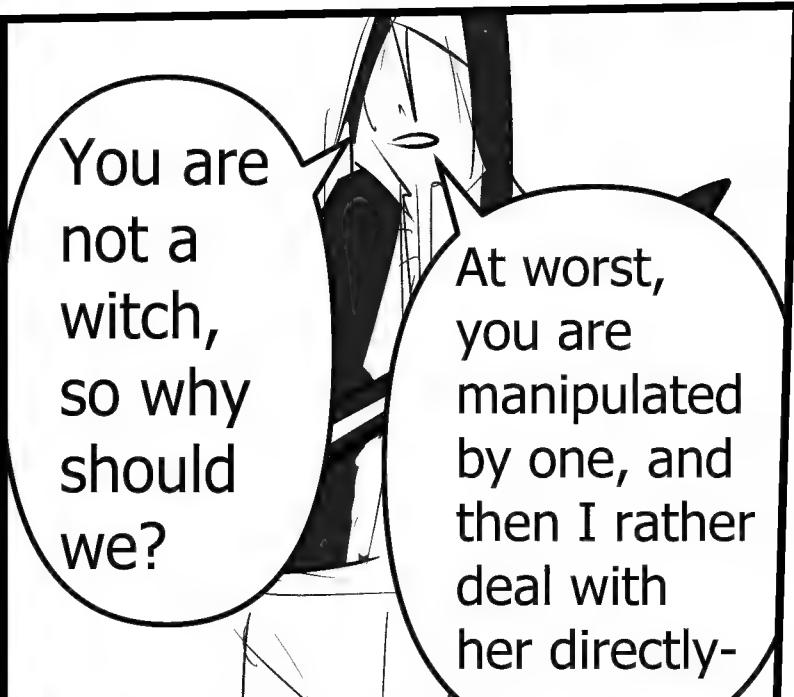

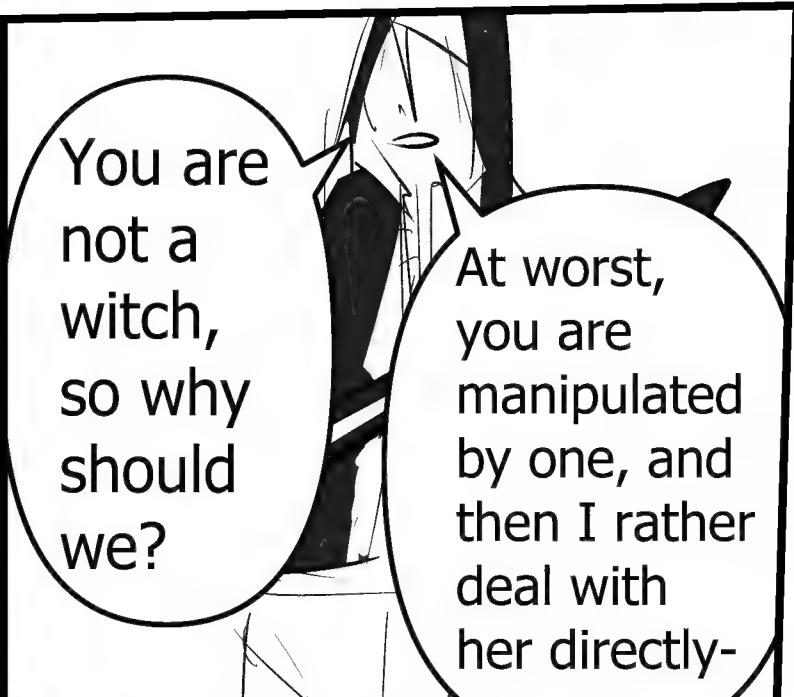

What are you blabbering, you drama kid!

Think you look though pulling out that licorice stick?!?

You are not a witch, so why should we?

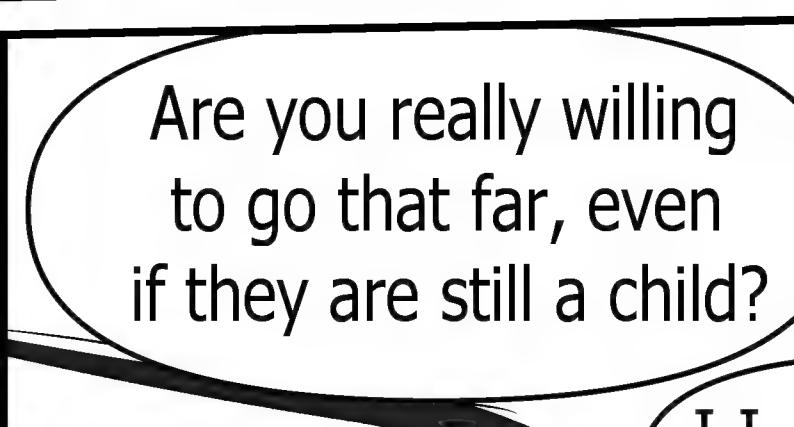

At worst, you are manipulated by one, and then I rather deal with her directly-

Crona, don't you hear yourself?!

You are talking about Angela

Are you really willing to go that far, even if they are still a child?

I-I-... S-someone will have to...

Ragnarok, please atleast you, try talking some sense into him!

Quite the whiplash, isn't it? Being shoved to the ground starts to sound like a sweet deal in comparison...

Yeah, focus on me pushing some brat, while ignoring that her kind infiltrated the DWMA and abducted three other students

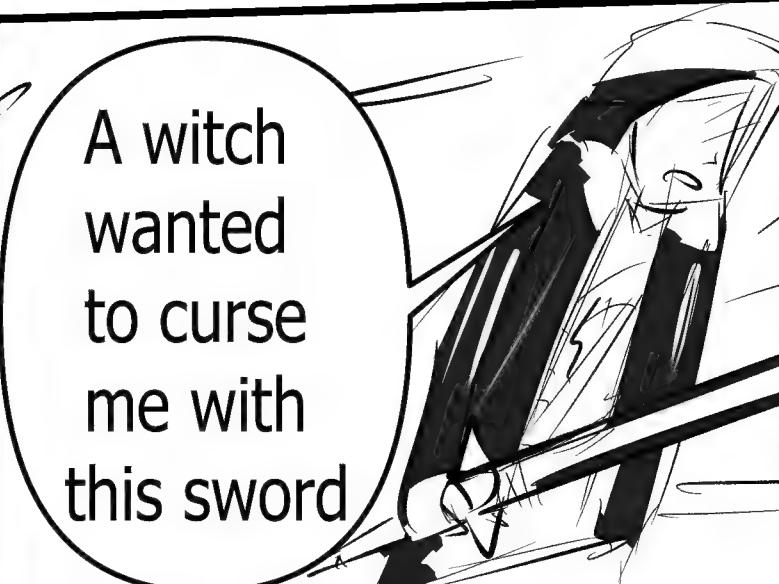

You probably don't even know that happened

\*Swish\*

But I know it too well, and won't fall for them and their tricks again!

A witch wanted to curse me with this sword

And I plan to turn it back onto them, even if it kills me, that will be ironic, right?

I mostly  
matched  
it...

No major  
soul  
rejection  
should  
occur...

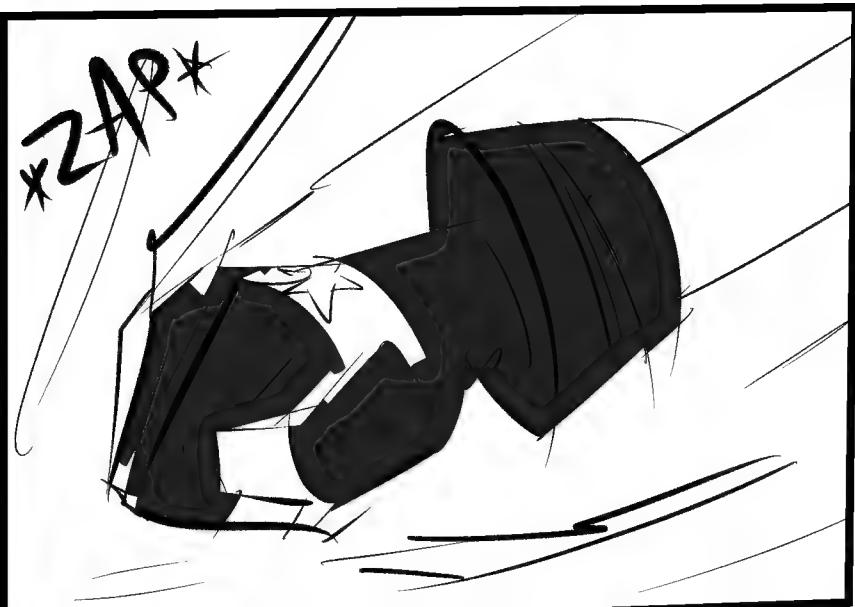

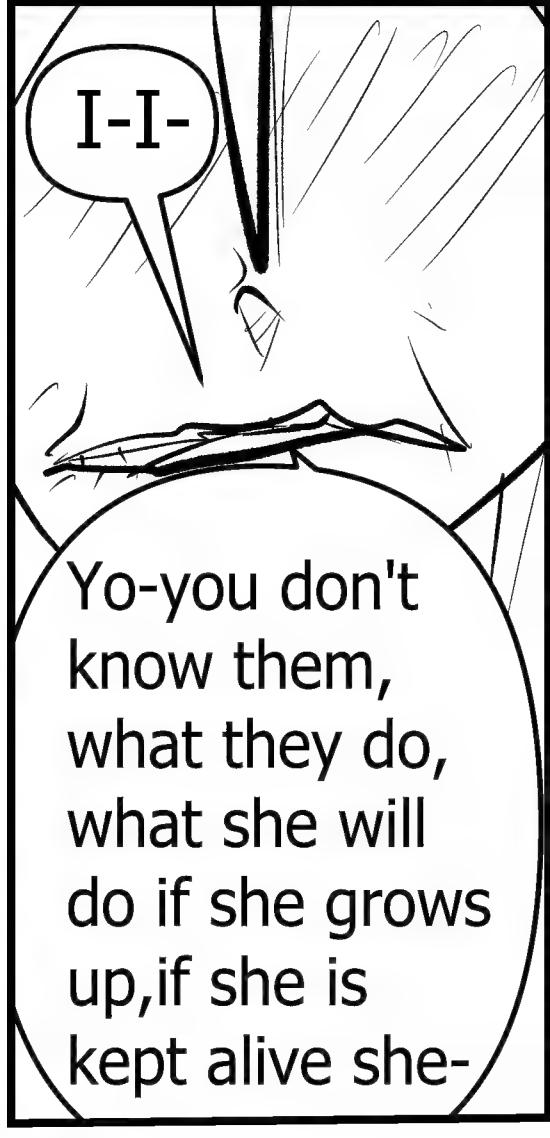

Thank you for  
being considerate  
and making it  
weak enough for  
me, for taking my  
freak status into  
account...

This black blood,  
the reason you  
can't even scold  
me properly without  
danger to me, what  
a wonderful gift  
from the witches...

Oh, seems the soul  
rejection is here  
afterall, better  
jump back now

Huh?-

woah!

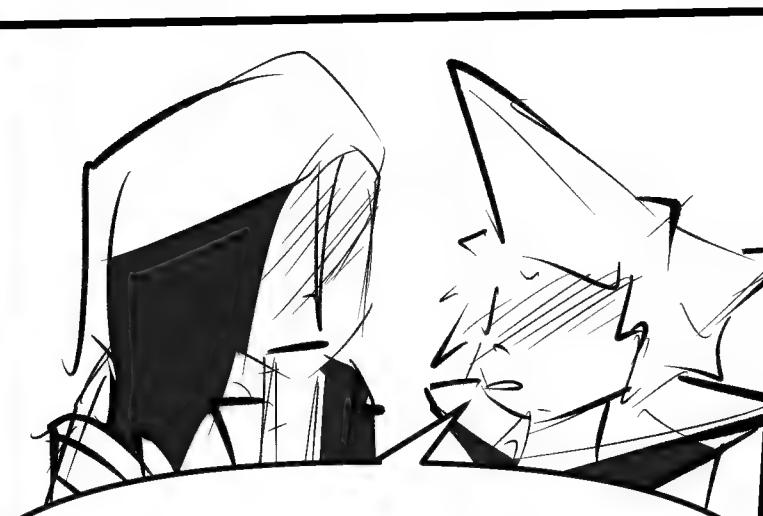

THAT is what you  
are concerned about?

You walking  
pink skeleton!

Bullying kids is  
nothing to you!?

Makes me regret letting  
Maka be the one to  
fight you back then...

Black\*Star,  
that's not  
needed

Crona must be  
disturbed after  
what happened and  
he doesn't understand  
what he is saying

I'm disturbed NOW?

I have been disturbed  
for all my life  
'cause of her kind!

p-pushing her-  
that's not nearly  
as bad as what I  
was pushed to do!

You know Maka as well as I do

But what DOES worry me is that

Don't worry

it turned out that I didn't know you

What do you-

Don't play dumb, we both know you ain't...

I'm talking about hurting a certain little girl

Please, just tell us that it was a misunderstanding, Angela must be-

Hoq should I act?

I know the witches better than anybody else in this city...

If what we suspect is true, the thing I should be doing is-

It's the  
one thing  
I want to  
be open  
about now

Let's hope  
the message  
isn't considered  
too extreme...

Well  
sweety

feeling  
better?

Hmm, in a  
certain way

Oh no,  
look at  
the time!

I have to run!

See you  
later Crona!

It's  
just...

I-I still feel  
uncomfortable  
wearing short  
sleeves...

I can't  
even be  
normal  
in that...

Oh honey...

I'm sure that with time  
you will grow out of it

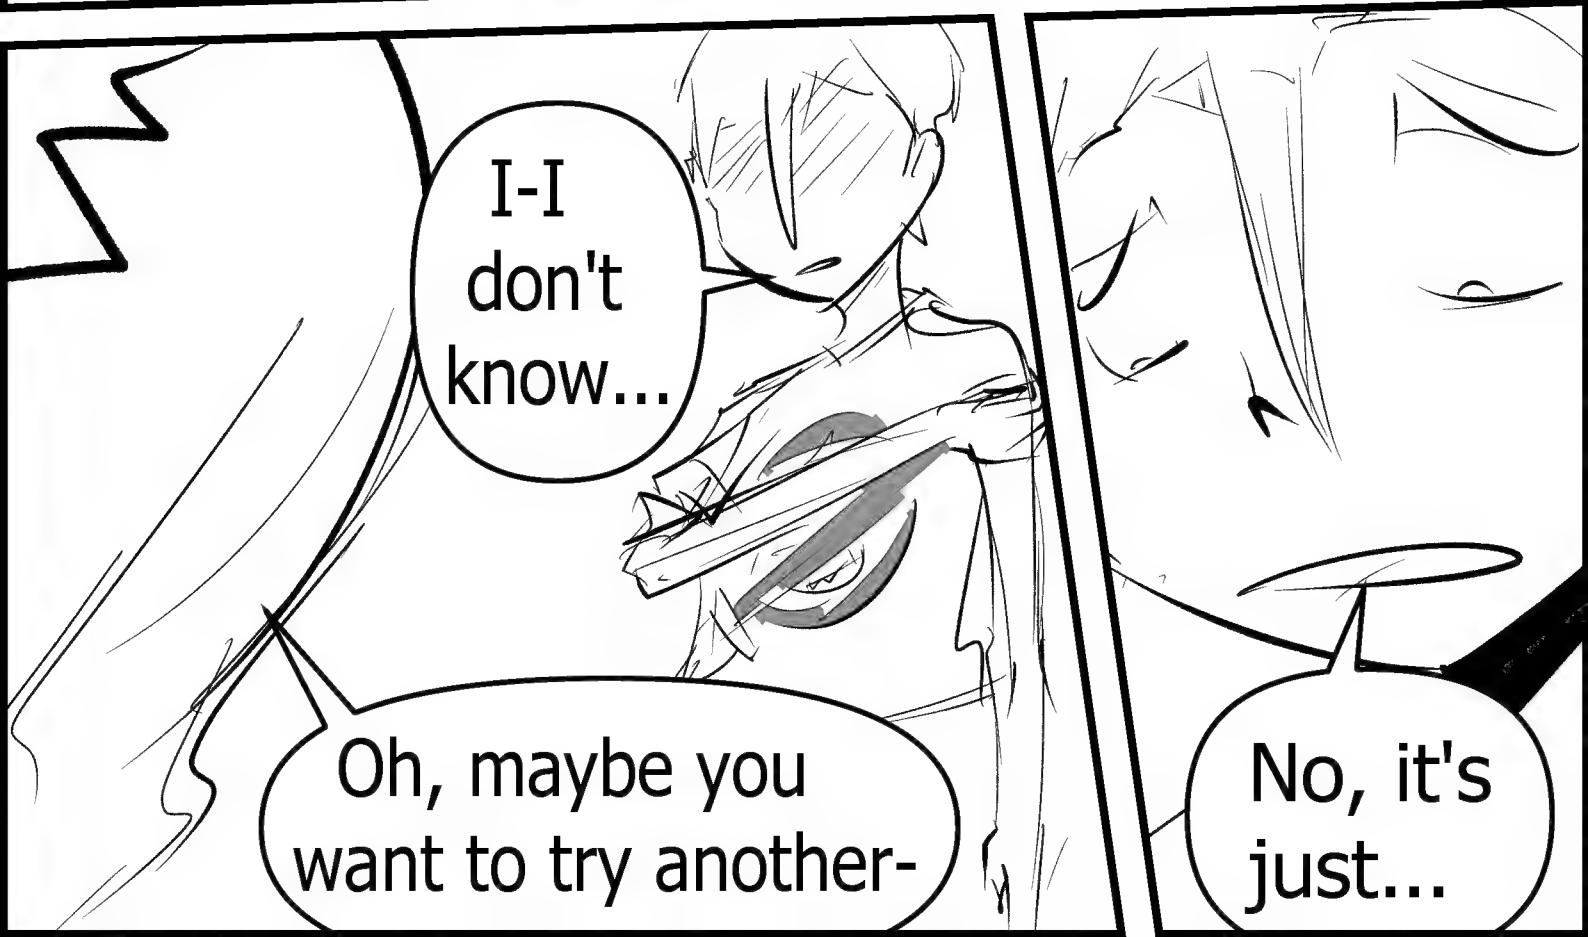

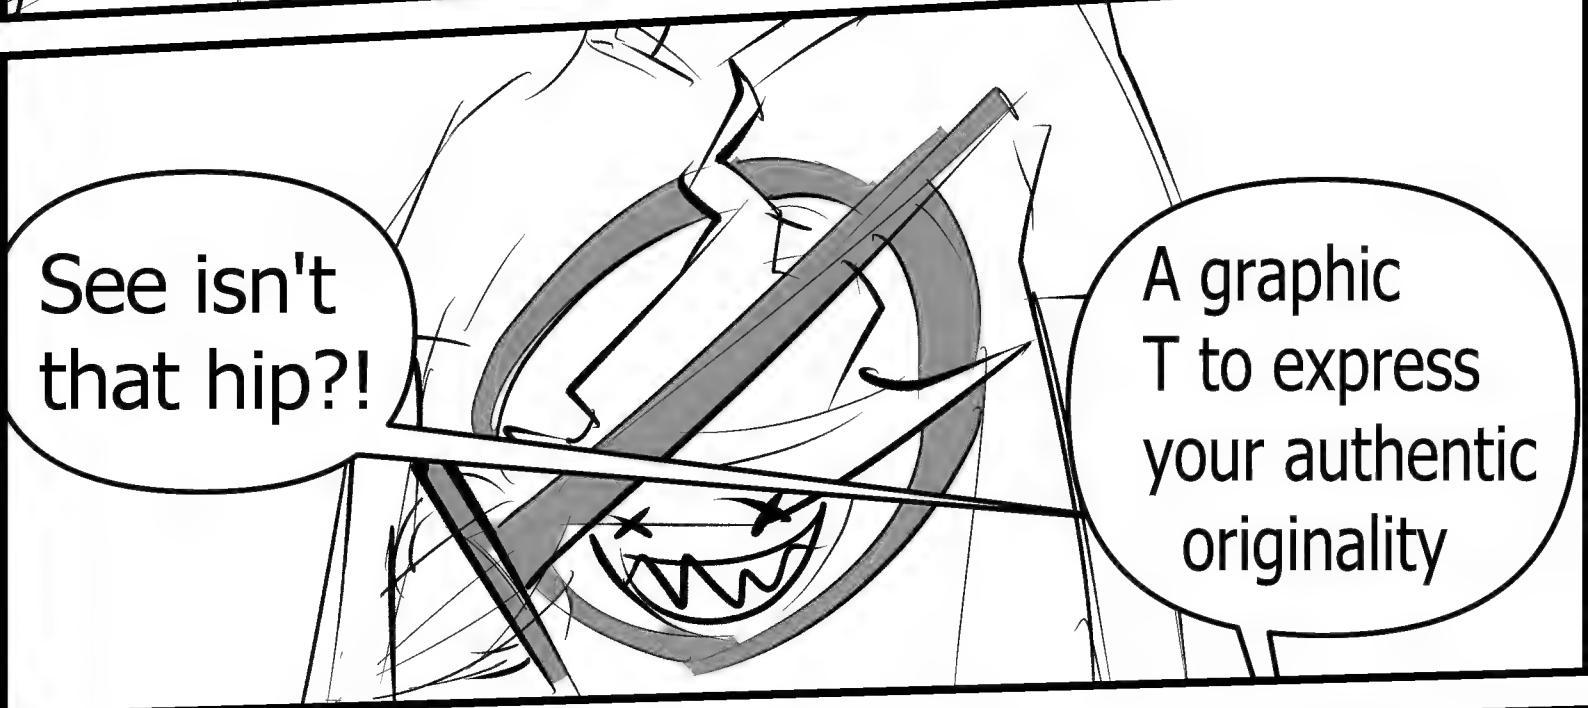

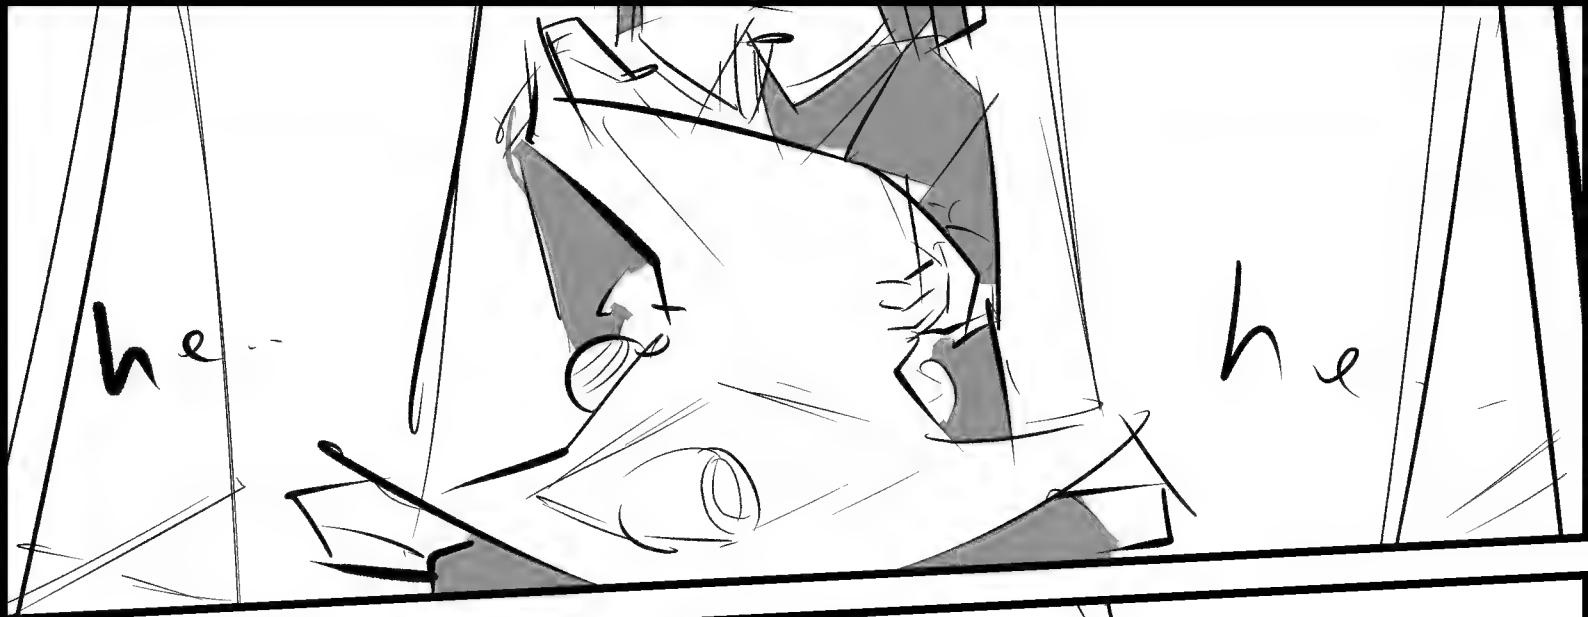

Just wish I didn't  
need to...

So, should we look  
for another design?

No I "vibe" with  
it (that felt weird  
saying out loud...)

Even the playground  
is empty, something-

Nah I think I see  
someone, hey I  
think it's Angela

Without Mifune and  
sadder than I was  
when I couldn't catch  
my reflection blinking

Angela, what  
happened?

I-I-I'm-  
he-he  
the witch  
boy...

How people don't get  
that I'm the greatest!

Finishing  
that  
mission  
like  
that

Nose-sword  
style, only  
I could come  
up with that!

Next time  
you could  
atleast have  
blown it  
before...  
Or have  
asked me  
for permission  
...

Ah, how the city changed,  
cadillac houses must be in style

I don't think  
this is a  
architectural  
trend...

Retail therapy!

Subject

(clothes store)

I-isn't shopping a bad way to deal with emotions?

especially when I'm not the type to know anything about clothes

I just feel like I'm disrespecting Maka

No no! A young man needs to be fashionable

Then when you save her, you can be her shining knight in brand conscious armour!

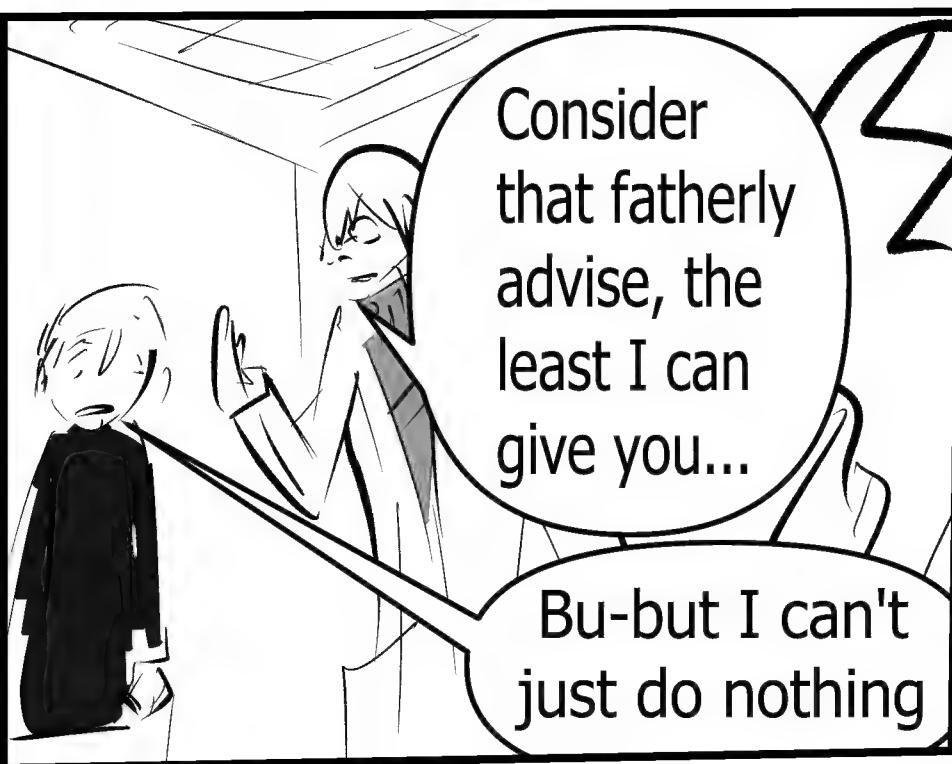

If you say so...

Still, I'm not sure

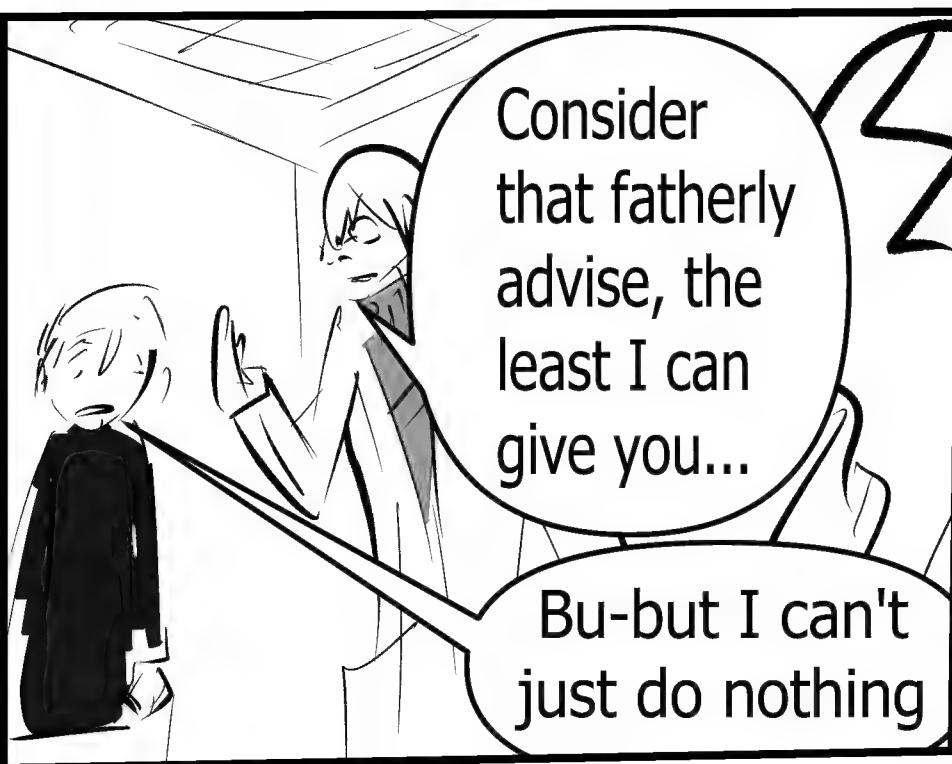

Anger and blind rage won't help you,  
it will only make things worse, the  
best way to proceed is to cooperate  
with the strategy we have prepared

That is what I told Spirit and what I am telling you know

Consider that fatherly advise, the least I can give you...

Bu-but I can't just do nothing

Sometimes nothing is the best option one can chose...

Rest and prepare so you can be ready when it is time to act

Right and I know the best therapy for right now!

It is not,  
you know  
your daughter,  
she wouldn't  
give up that  
fast and you  
shouldn't too

Especially  
when we  
all are  
dedicated  
to bringing  
her home

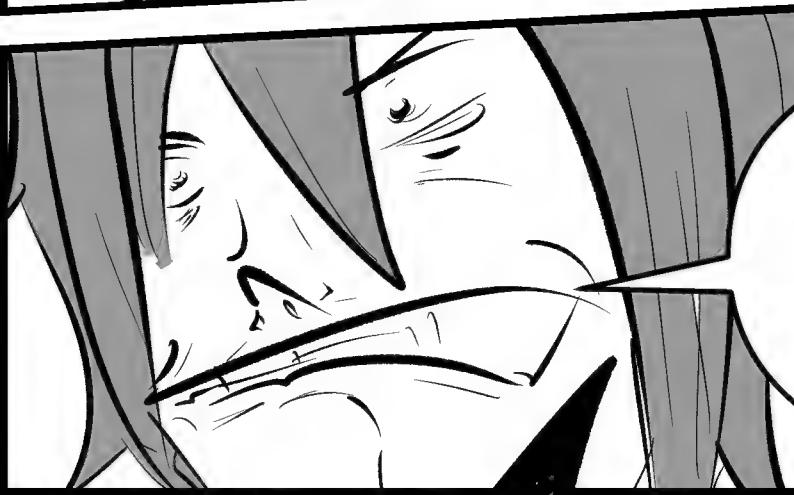

Right, if I had  
to guess, they  
know that Maka  
defeated the  
Kishin and they  
want some intel

Unless they  
can get that,  
they will need  
her alive...

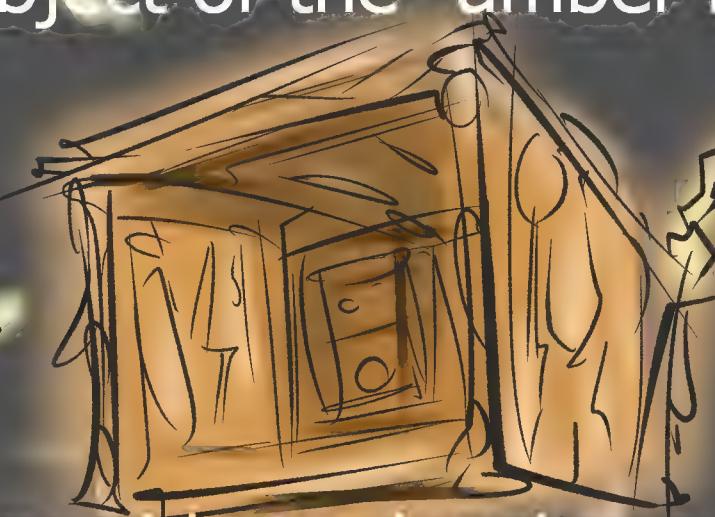

She is a  
great student,  
she has  
survived worse

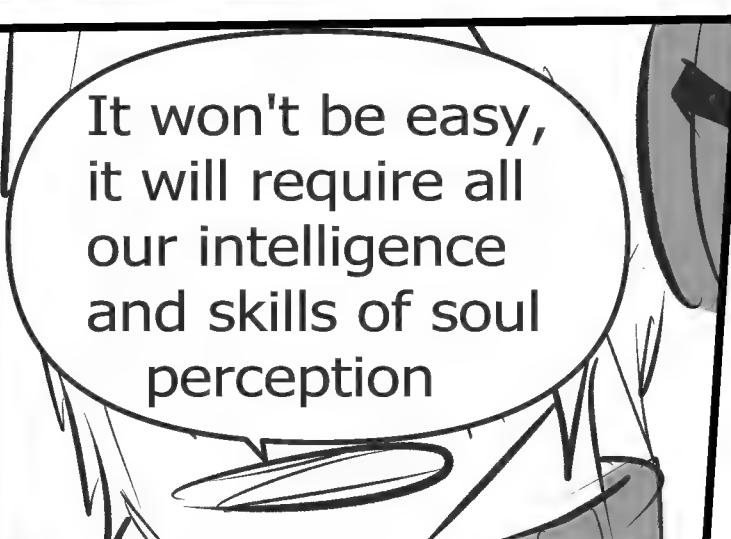

That's easy for you  
to say! Those monsters,  
if they even touch a single  
hair on my angels head-

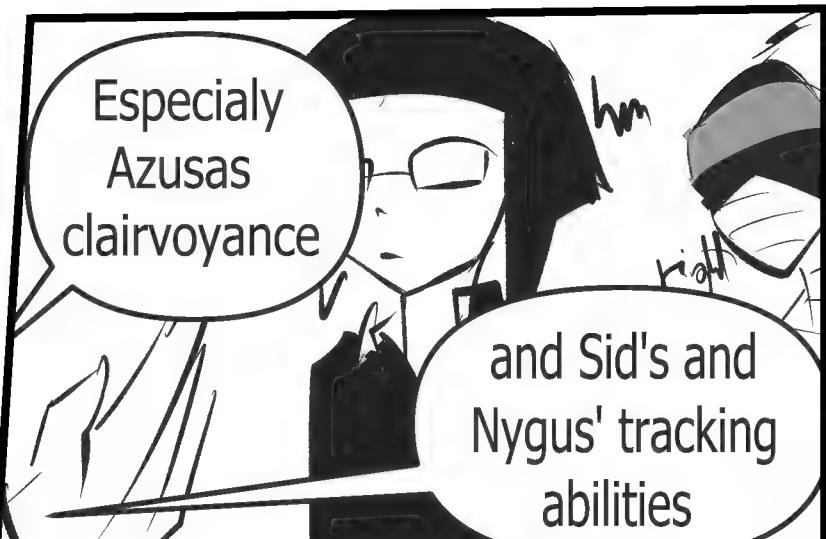

After an exhaustive research session  
on the subject of the "amber room"

We were able to develop a plan  
on how to locate and track it's  
possible position, where it could  
appear next

It won't be easy,  
it will require all  
our intelligence  
and skills of soul  
perception

Especialy  
Azusas  
clairvoyance

hm  
right  
and Sid's and  
Nygus' tracking  
abilities

And don't forget:  
a miracle, because

It's already  
to late!  
It's over...

Wait, the discussion isn't-

I wonder if this reaction could imply-

He is just pissed that his child needs where ignored

As any parent would be...

Maybe you are right, I myself must still be rattled a bit after what happened with Crona...

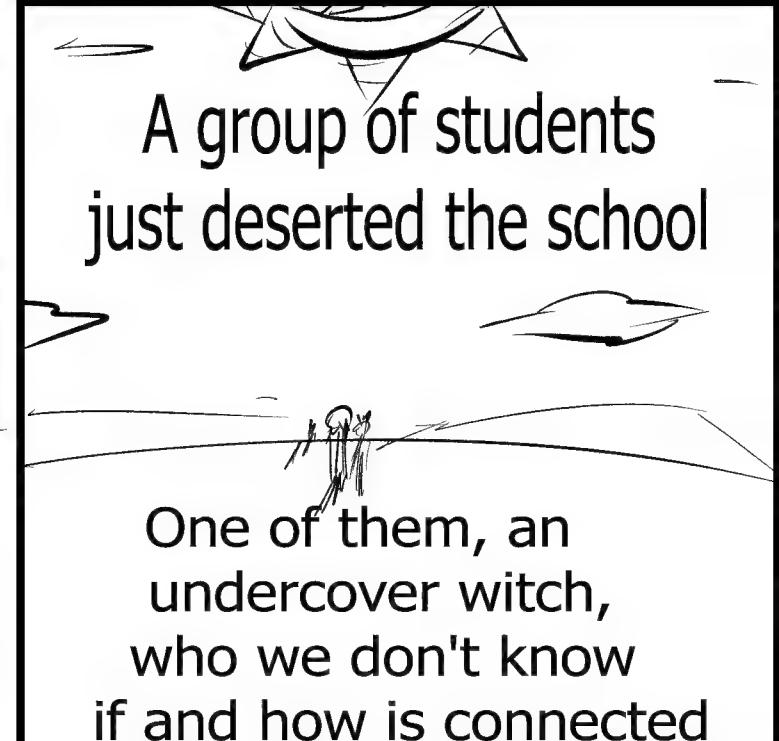

If only I wasn't on that damn mission

Well we can't turn back time (yet((no, actually never))) so that's why it's essential to do the following:

We have to  
keep being  
rational

Analyse the  
situation:

A group of students  
just deserted the school

One of them, an  
undercover witch,  
who we don't know  
if and how is connected

It may sound cold,  
but in the face of  
these circumstances,  
personal grievances  
are secondary now

What you really  
mean is her getting  
hurt doesn't matter  
cause of her "heritage"

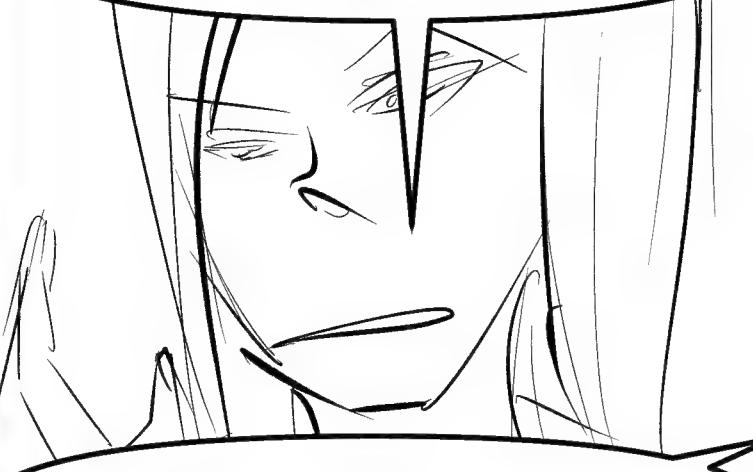

Excuse  
me?

COUGH!  
Relax everyone,  
no need to be  
sore thumbs,  
apologise to  
each other!

Tch, then  
I rather take  
a leave before  
I do something  
rash instead...

Stupid? It worked, without  
a hitch, didn't it?

Don't be a smartass!

A student  
got abducted,  
Spirits daughter  
might be in danger!

Tch, that's what I'm  
saying, we were  
promised safety

And now Angela  
is so shocked she  
is crying and not  
talking, what if she-

It was a witch  
organised attack,  
it's unlikely they  
would physically  
harm-

What are  
you implying,  
do I need  
to loosen  
your screw?

I already  
did that in  
the morning-  
No, what I  
meant to say:

A few hours ago...

To have coordinated so many witches, kishineggs and other monsters to act,

exactly when our defenses are at their weakest, while using a long thought to be lost demon-tool

All these minions

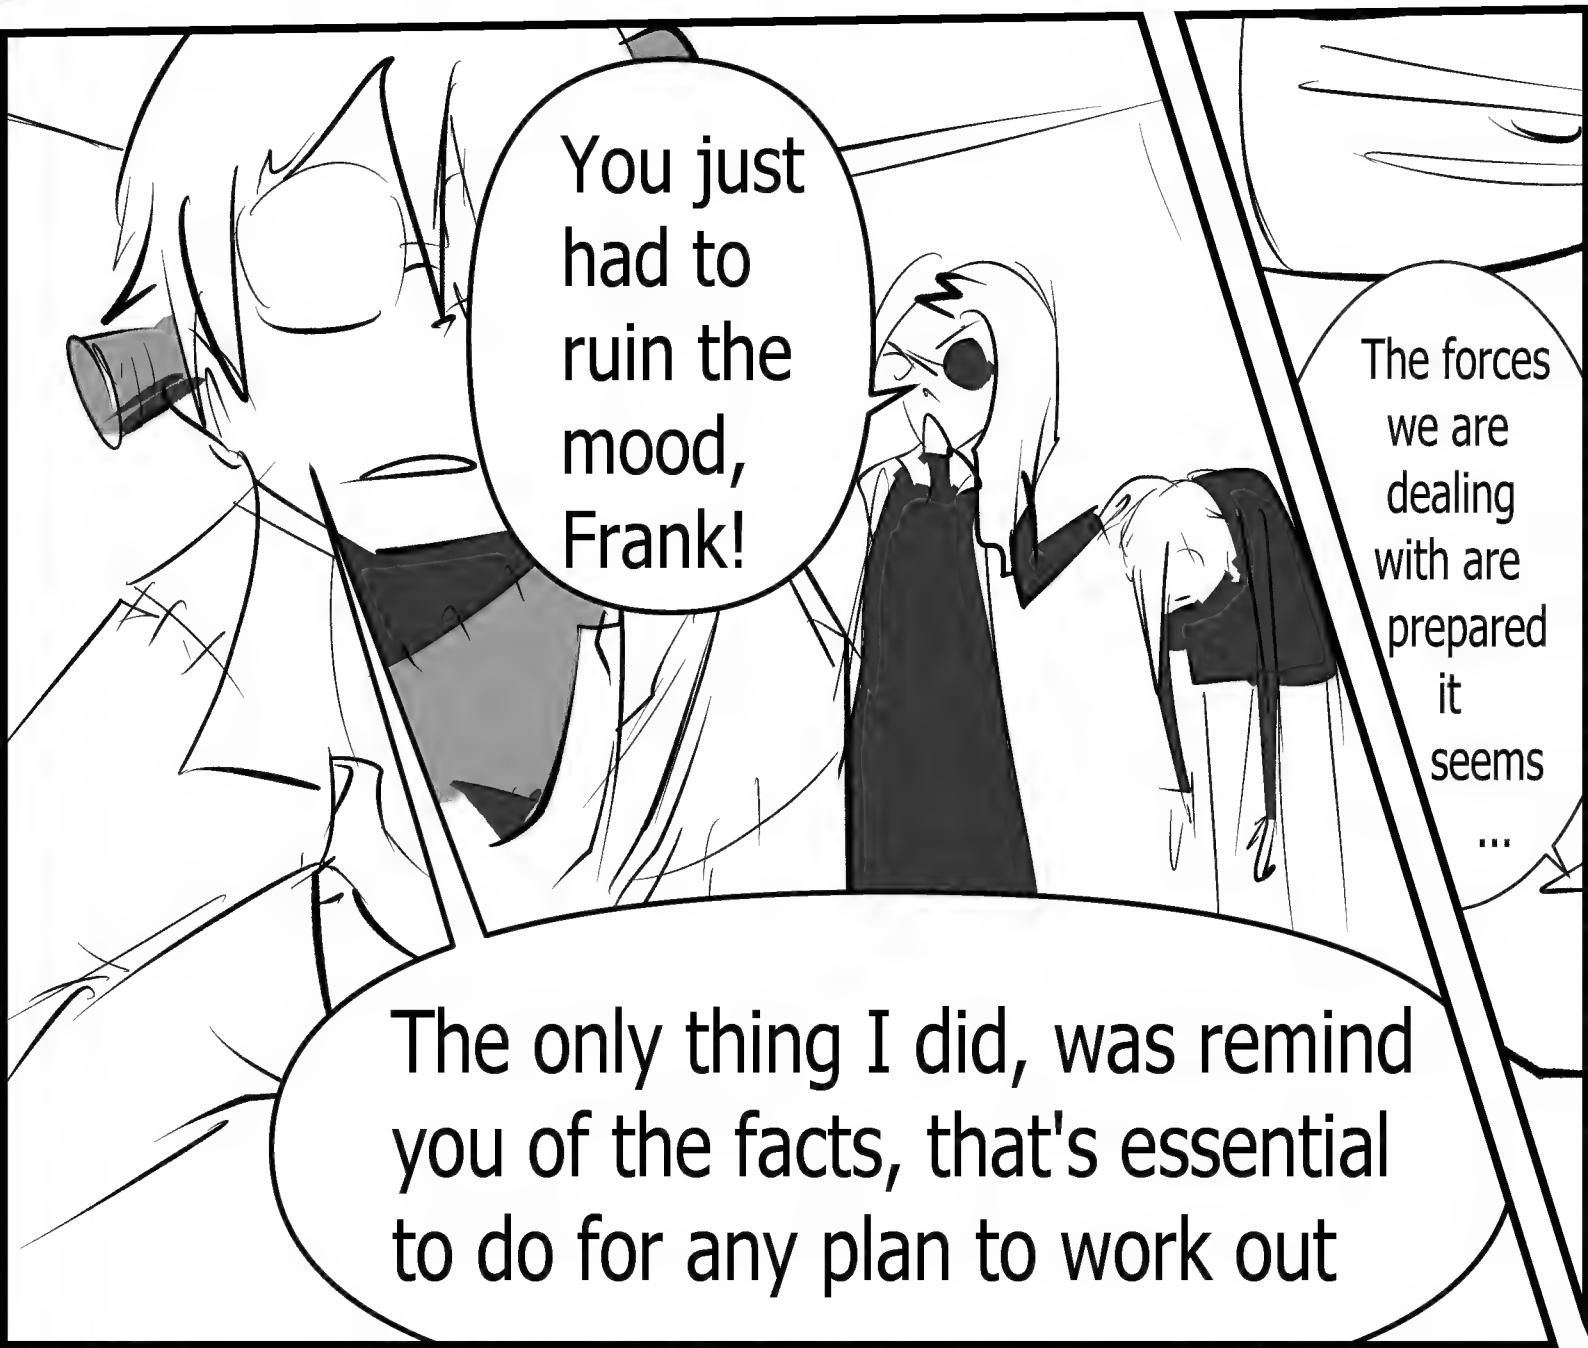

just a distraction

I should have known...

It was obvious they would go after Maka...What kind of papa am I?

Don't beat yourself up  
Spirit

Their plan was too stupid to be predicted by anybody!!!

No!

You reminded  
me, why I  
can't be weak

No more crying,  
no more wallowing  
in self pity

But it's ok  
to, some  
times you-

It's time to  
right the wrongs  
that happened

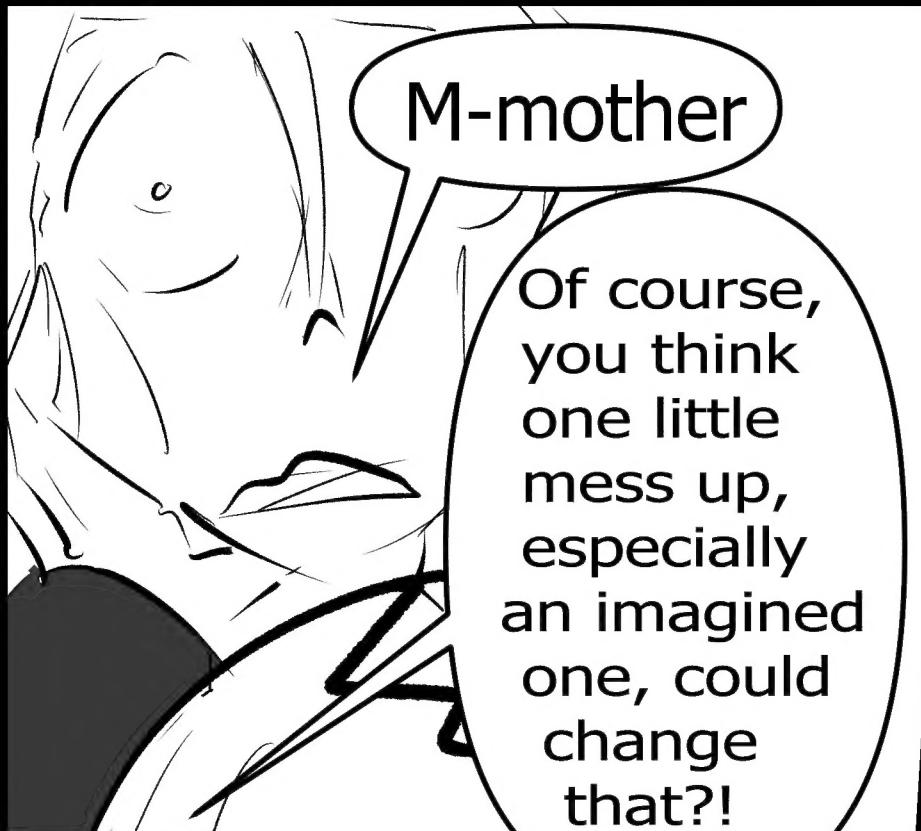

More like allways  
in my case, I'll  
lose my electrolytes  
at this rate...

And I  
need  
all the  
strength

If I want  
to rescue  
Maka

Yeah!

Let's go,  
that's the  
spirit!!!

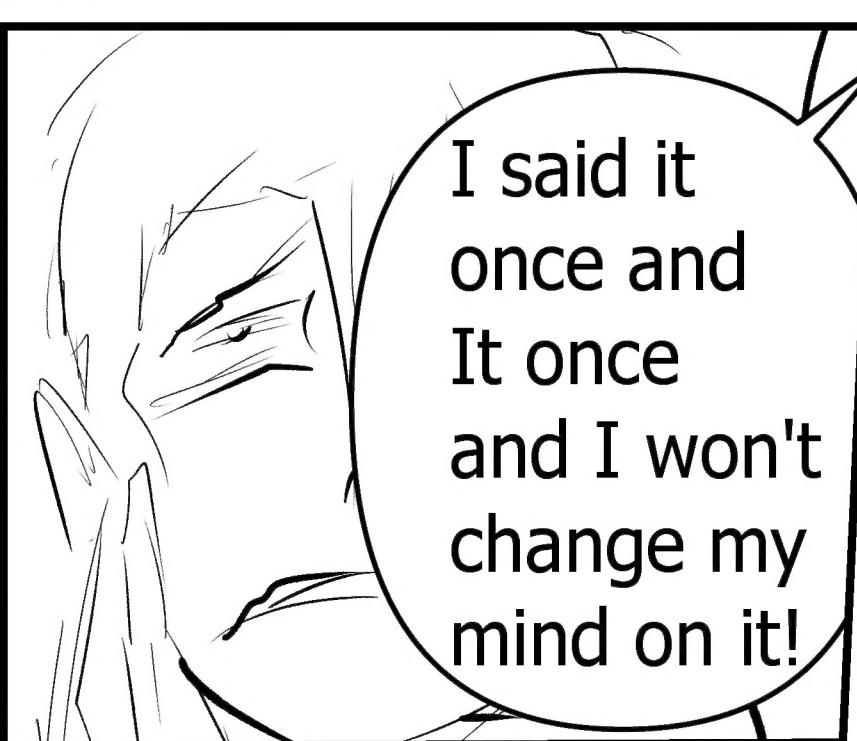

M-mother

Of course,  
you think  
one little  
mess up,  
especially  
an imagined  
one, could  
change  
that?!

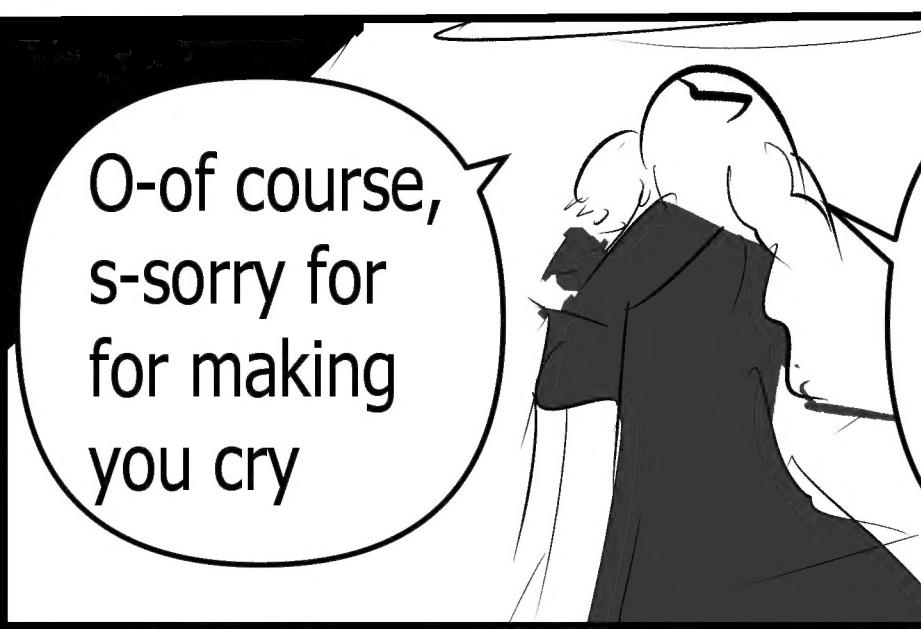

Even if what  
happened to  
Maka was  
somehow your  
fault, I would  
never abandon  
you, my son!

I said it  
once and  
It once  
and I won't  
change my  
mind on it!

Did I  
make  
myself  
clear?

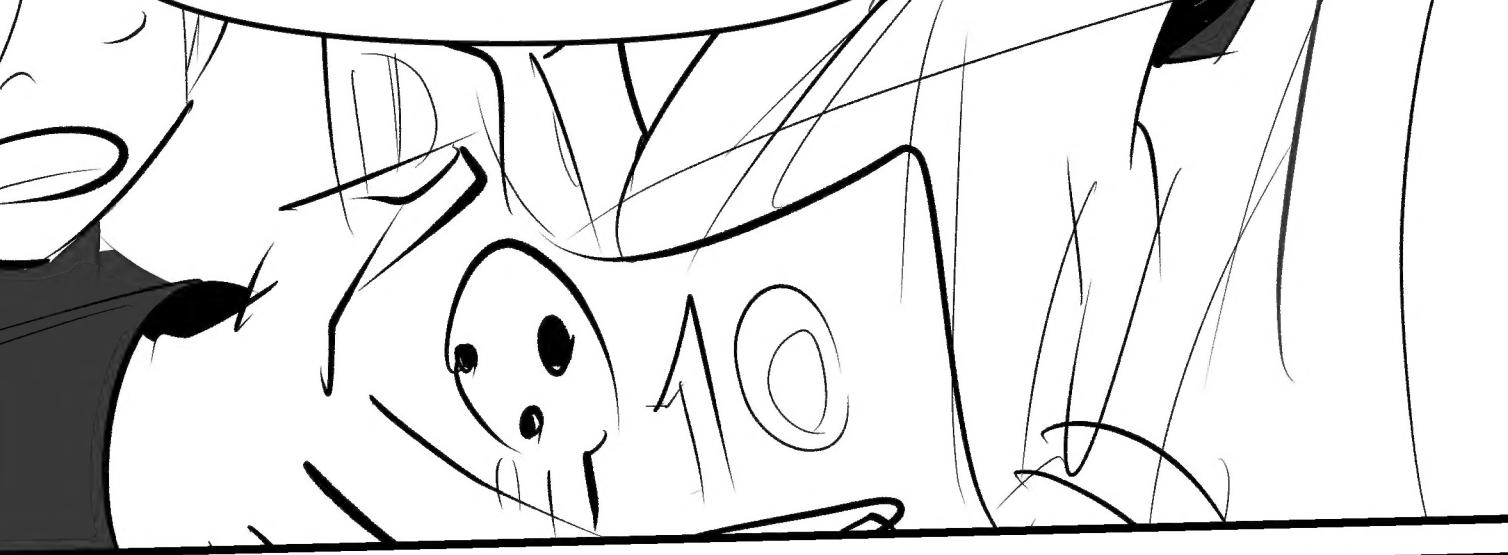

O-of course,  
s-sorry for  
for making  
you cry

Oh don't feel  
bad, just join  
in it and we  
will turn it into  
a duet of  
bawling our  
eyes out!

I don't need  
your money!

D-does the  
DWMA pay  
that well-

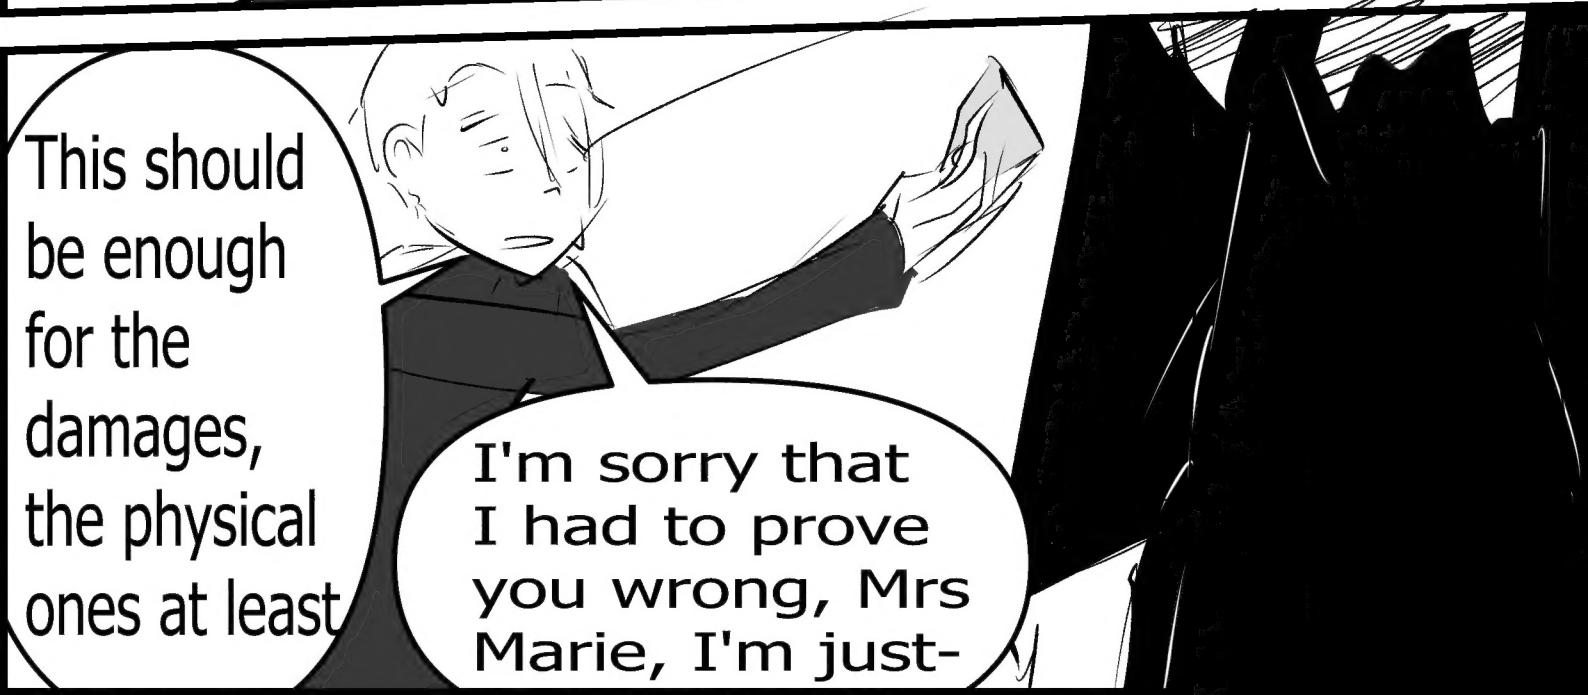

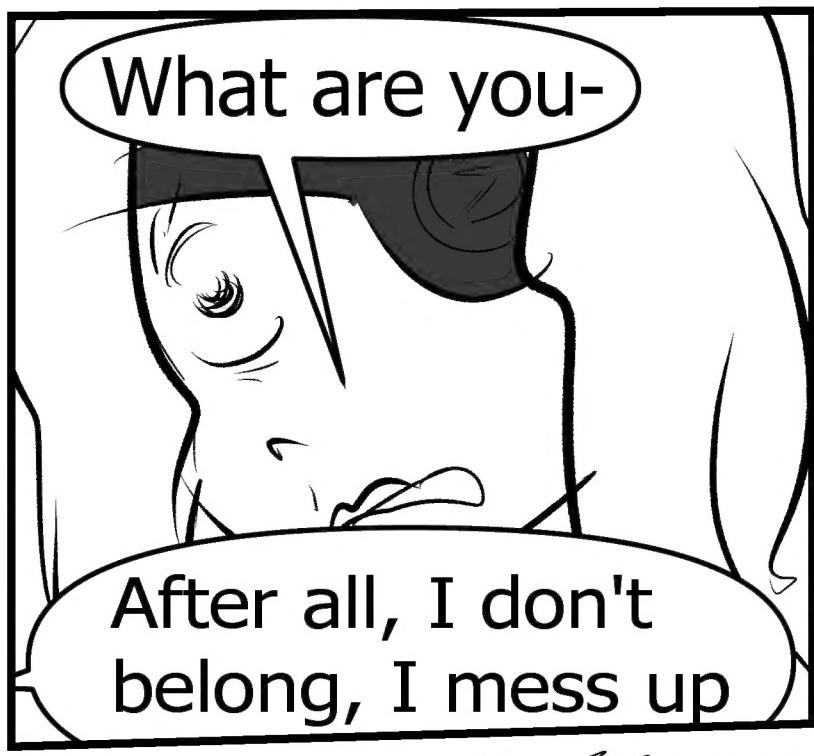

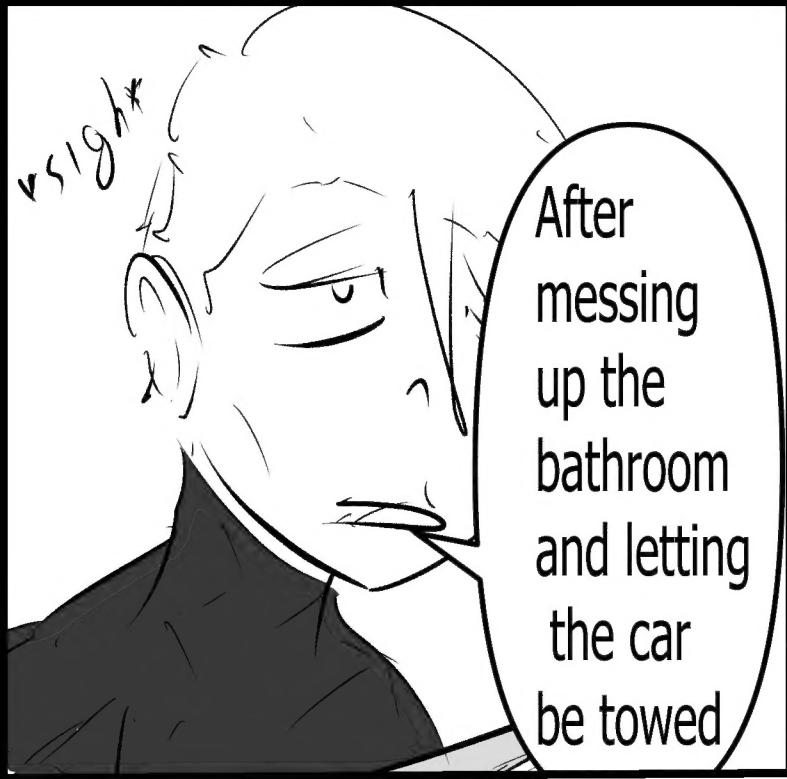

CRONA!

LOOK AT  
ME!

Don't you dare!

Saying things like  
that to your mother?!

~~STOP~~

It's the  
last part  
left of  
your cute  
hairdo!

Please leave it  
be, just for my  
sake at least...
